BEAVERTON POLICE DEPARTMENT ADVISE ON RECENT INTERNET SCAM

The Beaverton Police Department has become aware of a recent internet scam in which an email that appears to be from US Bank is being sent to individuals, regardless if you have an account at that financial institution or not. This email is a fraudulent attempt to obtain security information from citizens and it should be discarded.

The Beaverton Police Department reminds individuals to not divulge information over the telephone or on a web site unless you have made the contact yourself and are positive the business is legitimate.

From: US Bank [user-billing44@usbank.com]
